Old Business

- Still working to see if we can do the Trials Show at Marquette Rec show
- Club Ride Night – decided to advertise **Thursday Nights** as Sandstormers Club Ride Night. Meet, ready to ride, at 6.30pm at the Staging Area. Will start sometime in April or May, depending on conditions. Groups will be formed according to interest and experience. Ted will design a poster that can be used for advertising in local shops, etc.
- We will be getting more membership apps printed.
- Treasurer Scott is working with our accountant (Bill Sheltrou) to resolve our tax issues. We will have taxes to pay!
- We've received approval for trail maintenance grant monies for Bass Lake Trail, Forest Islands Trail and for construction of the HNF Trail. Dick Liberty will coordinate our Trail Maintenance efforts again this year. PLEASE make some time to assist with these efforts!
- We will have a club camping and trail-building event on either May 9-10 or May 30-31 (weather dependent). This will be to build the new HNF Trail. PLEASE schedule to attend this! We'll need everyone's help to groove this trail in... bring family and prospective members!
- Club received the CCI permit, will send it to paid members after the April meeting. You should have this in your possession when working on the trails on the CCI property.
- Club decided to make a donation to the Blue Ribbon Coalition on behalf of Dick Burleson, and give him a gas card (for boat gas) in recognition of his contributions to the club. These will be presented to him at the Dick Burleson Tribute at Bike Week.

New Business

- The Michigan DNR is considering a single-track trail to connect Bass Lake and Porterfield Lake trails. The club expressed interest in looking into assisting. Initially, we'll be sending the MDNR a letter of support for this idea.
- Mark Olsway – visitor and prospective member! Hope you'll join us!

Next Meeting: 7.00pm, Monday, March 9 at the American Legion Hall in Little Lake
