May 11, 2009 Meeting Minutes

Old Business

- Work Bee on May 9-10 went great! HUGE THANKS to everyone for all their hard work! The Forest Service personnel were very impressed with our work!
- Since the last part of the trail cannot be constructed until after June 1st, we scheduled another work bee for June 6-7. Same deal as before... stage out of Flowing Well Campground, meet 10 am Saturday morning, finish trail work and ride the trail in on Sunday!
- Several members attended the HNF Trail Patrol meeting, and we'll be participating in this program. Basically it's a "trail ambassador" program to help users to understand the "rule" of recreating on USFS lands. Those assisting receive reimbursement from the USFS for travel expenses.
- Moss Lake Trail Grand Opening will be June 27th, time to be announced. Everyone is invited!
- Club Ride Night – **Thursday Night** is Sandstormers Club Ride Night. Meet, ready to ride, at 6.30pm at the Staging Area or at the Moss Lake Trail. Emails are usually sent to all members on Wednesday informing of location. Hope to see everyone there!
- Enduro: Jack is putting together ideas for the Enduro Trail. Flyer and info is sent to AMA and is on our website. Scott and Harry are working on MiniMoose trail layout. Bob is looking into various trophy options.
- Spring Maintenance is done at Forest Islands, and Bass Lake is all done except for a few miles. Will be finished in a week or so. THANKS to everyone that worked hard to get this work done!

New Business

- Discussed purchasing some gifts for those that assisted us with the Moss Lake Trail. Biff and Nick will get these.

Next Meeting: 7.00pm, Monday, June 8, 2008 at the Sands Township Hall

PLEASE be sure to include all our local riding friends in our activities!

Together Everyone Accomplishes More!
