September 14, 2009 Meeting Minutes

Old Business

- Enduro – Most everything is wrapped up. Still need to find the Rider Waivers to send to the AMA. Initial review is that we made approx \$6,000! Thanks to EVERYONE for their help at this event!
- Discussed UP300. Have 11 members working this years event.
- New storage shed is located behind Walker Furniture. Unit number 1. Same combo on the lock. If you have any club saws, staplers, equipment, etc, please bring it to the new storage unit, we have plenty of room in it for everything!
- Scott reported that we are still having problems getting out taxes straightened out. Evidently the IRS isn't crediting our tax payments correctly. Hopefully this can be resolved soon!
- Bass Lake maintenance is being done. Seems there's LOTS of new growth this year and much extra work is needed. Thanks to the members that are stepping up to help get this done!
- Moss Lake Trail is holding up well. We are hearing quite a few (varied) comments.
- Club Ride Night – **Thursday Night** is Sandstormers Club Ride Night. Meet, ready to ride, at 6.30pm at the Staging Area or at the Moss Lake Trail.

New Business

- Club voted to renew our Blue Ribbon Coalition membership and include a \$400 additional donation.

Next Meeting: 7.00pm, Monday, October 12 at the Sands Township Hall

PLEASE be sure to include all our local riding friends in our activities!
